

# Lancaster High Media Center...

# "Leave a Paw Print"

The "Leave a Paw Print" program offers parents, guardians, students, or members of the community an opportunity to honor a member of the senior class by donating a book to be placed in the library media center. Through your donation, a new book will be purchased. A bookplate honoring your graduate will be placed in the front cover of this new book. A card will be sent to the senior informing them of this special gift. The card will include the donor's name, as well as the title and author of the book which was given in their honor.

To honor your senior, please complete the form below and return it to the Lancaster High School Media Center along with your gift (checks should be made payable to Lancaster High School). If you desire to designate a specific subject, author, or title, please be sure to indicate your request in the space provided. If a specific title or author is designated, the book must meet the selection criteria for materials in the media center.

If you have any questions, please call 283-2001 or email: [melliott@lancasterschools.org](mailto:melliott@lancasterschools.org)
