

Works Cited Page Example

Creating a Works Cited page

The Works Cited page is a list of the citations for the sources that were used to write the research paper. Any parenthetical in-text citations within the paper should match one of the citations that appears on the Works Cited page.

Format for the Works Cited Page

- Double spacing is used throughout the page
- One inch margins
- Font: 12 pt. Times New Roman
- Citations are arranged alphabetically (use the first word in the citation)

Example:
